## Father of God

### Mail Call...

"Thank you for the birthday card, I love it and I hang cards and calendars up in my locker along with the inspirational quotes you send me and I read them every morning." Miss S

"I hope all is well for you and I pray for your family and friends. I want to thank you for all you do for us in here. Some of us don't get any mail from our families and getting mail from you puts a smile on our faces – you are amazing. I will close now and thank you again." Miss C

### *Heart of the Father* (lyrics)

I've never known a love like Yours,  
So intimate, so powerful  
And I've tasted, I've seen,  
and nothing comes close  
I've never known a love like Yours,  
I've never felt at home like this  
Like a child, so innocent,  
I'm safe inside Your arms,  
'Cause You won't let go.

I've never known a love like Yours

by Mac Montgomery / Ryan Ellis / Mitch Wong

## Power of Prayer and The Pen

As ladies enter NCCW, we send them a letter inviting them to have someone from our ministry to be an encouragement while in prison. We give ladies encouragement from God's Word as they face the many changes while in prison.

They often lose their sense of having value or worth. Separated from families, due to the length of their sentence & the loss of rights to their children, all of this weighs heavily on their hearts and minds.

Our letters and your prayers make a difference in their lives. They treasure the encouraging letters we send, many stash them away in their locker or Bible, to read over & over again when difficulties arise. Just as we read letters from God's Word when seeking comfort in the trying times of life.

Bless you for your participation with LoHM as we encourage women that the Lord is with them and they each have a purpose, even in prison. We are reminded how the Lord was with Joseph in prison, who showed himself faithful, was raised up to be governor and restored to his family.

As ladies have turned to God through Christ in prison, He restores relationships, helping them achieve goals, building a foundation for a solid future.

Our writers, prayer warriors, donors, are all giving these ladies HOPE.

### **Will you volunteer to make a difference in a woman's life?**

Here is a comment Vicky shared about becoming a letter writer:

"In 2016, I was in a bible study. I had been hearing from God that He wanted more of my 'time'. When I heard about LoHM, the excuses started; "Who am I to try to encourage anyone?" "My handwriting is TERRIBLE!"

But I said "yes" anyway, and I have never regretted it."

"When I receive a letter back, it encourages me. It's such a blessing to be a part of this ministry." **"For information on signing up to volunteer, simply go to our website**

### Something to Ponder

"I am a little pencil in the hand of a writing God, who is sending a love letter to the world."

Mother Teresa
